SOURCES 2 is proud to offer a *SOURCES 2 Script Development Workshop* in Rotterdam which will be realised with the support of the Netherlands Film Fund and the Rotterdam Media Fund.

SOURCES 2 is a professional training organisation providing the European film industry with high level script development programmes. Between 1992 and 2008, the Dutch Foundation SOURCES realised more than 60 workshops in 18 European countries.

SOURCES 2 offers more than mere training; its unique mentoring approach has proven to be extremely successful and has helped to bring a considerable number of European films to the screen. 80 films have been made to date!

The efficiency of SOURCES 2 Script Development Workshops lies in their special format. During the seven-day session, participants work in small groups with four or five projects each, guided by internationally experienced advisers. The following period of approximately three months is dedicated to re-writes, and is coached by the advisers involved. The second session is either an individual or a small group consultation of one day per project.
