EAVE Film Finance Forum – APPLY NOW!

FILM FINANCE FORUM: Luxembourg, April 15-18, 2010

The Film Finance Forum provides an exploration and update of the latest financial developments and funding sources in Europe. It includes sessions on public and private finance, co-production, tax incentives, the sales and distribution market, banking services and new industry trends.

The Film Finance Forum takes the form of an inclusive round table with presentations on various up-to-date topics followed by open discussion with the participants and leading industry experts from the finance and film businesses. In order to achieve a maximum level of interactivity the total number of participants is limited. This enables an approach focused on a small group and the specific needs of each participant as well as facilitating networking between participants and experts.

Deadline for application: February 19, 2010

Who can participate?

Producers and associated film industry professionals, members of the financial and legal communities, policy makers, and consultants.

International participation

The Film Finance Forum is open to non-EU applicants and with the support of MEDIA International we are able to offer 8 scholarships to non-EU participants covering 80% if the total costs of attending the Forum including travel and accommodation.
